Blackhawks game is expensive

Would prefer a Wolves game; cheaper

Try to get Chicago troop to come with us

Boys seem to want to do it again

Fundraising

Pumpkin Patch

Steve D. Sent an email out today

Going to be delivered on October 12—no one is around that date

Don't know if we can change the date; probably can't

Don't know what time it's going to show up

Half a truck—about 700 pumpkins

Fuel & Crème has offered to help staff if were not available

Don't want to pawn it off on them

Need a permanent sign

Popcorn

Need to download app to record all sales

This seems overly confusing/or causing excessive confusion

Sign up for storefronts through it as well

Parent can sign up scout as well, or can sign up through their own phone

Can also sign up/ just decide to go to Fuel & Crème to sell popcorn: wagon sale

Do not put cash donations in the app; it will be counted as military sale that goes straight to scout account

Wreath Sales

Orders no later than Oct. 26th

Due by first wknd in Nov. to the company

Same prices as last year; same product list

Delivered the week of thanksgiving

Checks made out to Troop 199

Try stocking wreaths to sell at F&C

Best sellers are 20"-36"

Not sure how they're planning to work the outside part in the winter yet

Make a B shirt for boys to wear while selling at the pumpkin patch? Sweater? Stacey will look into it

Jim's presale sheet

Trying to presell spaghetti dinner tickets at popcorn/wreath sales

A way to build a list of possible sales

Seems to have died; not very popular

Do advertising; not actually selling tickets

Talking about dine-out at Manny's; need to pick a date that will be popular

Try to get it in October during playoffs

Spaghetti dinner—can we push it later to have it run through dinner; no one has school the next date

Cleaning the kitchen is the time killer

Don't want to lose people who will be coming straight from church;

Date: February 16th, w/ setup on 15th

Something to be considered, doesn't need to be decided tonight

Would be alright, just need to do a better job as active cleaning during

Mostly decided we'll do it

Den visit:

Coming on 10/7/19

Den Nico has been working with

Have an arrow of light requirement they need to be working on while there here

Invite other packs, 140, 242?

Need to get on that quickly

Nico needs other scouts to work with him to plan what activities
