

Committee Meeting 12-18-19

Early Swamp Base Meeting: Adam, Jeff, Greg, Marlene, Nico

Transportation—Train, Flying, Driving,
Train long and expensive
Flying meh. Expensive and out of the way
Driving the best option for getting there
Going to need 4 adults to drive to get everyone down there
Jeff would bring camper for adults and storage
Cost could vary depending on where we stay
Will need to figure out what's the preferred travel method among interested scouts

Regular Meeting

Adam, Jeff, Greg, Marlene, Nico

Most the committee home sick
Tom:
Adult applications for girl troop mostly done
Brought MB Books and stuff for tomorrow

Org. Rep—Anyone Rosenbaum
Outings Coordinator—A really hard job
Recruiting Girls: Talk to Pack 140 because they're not having a Scout troop
Greg going to see about DMing Julie Fuentes

Earned JTE Gold
JTE Patches: Order them (unanimous vote)

December Outing
23rd not going to work. Pick a date; see what commitment we can get
(None; too short notice, didn't happen)

Outings

Instead of one adult coordinator, divide up between adults so each plans 1-2 outings, making it much more manageable
January Outing: Klondike Derby at Big Timber, 25th
Hopefully do Galena again
Summer Camp: What are we doing this year?
My Thoughts—take last years list and take CLL off
Nico's Favorite—CLL, didn't like Ransburg
How far do we want to travel this year? What size camp do we want?
Adam & Jeff to present Summer Camps at Jan. 13 meeting
Come up with 3 options
Summer Camp Dates: Jun.28-Jul.4, or 7/5-7/11
Jeff willing to do tubing trip
Philmont dates? Will they interfere
Do Naval Base again; Or talk about staying on Submarine Silversides
Silversides—February Outing
