

Committee Meeting 5/12/2020

Adam, Steve, Marlene, Nico, Greg W., Mary Kaina, Anas, Francis, Stacey, Nicole Farquhar, Kim Taglia, Suha Salman, Jim & Laurie Mielke, Jeff, Jordan, Lynn

Summer Camp

People who haven't paid yet may or may not have to pay late fees

Going to have adjustments including temperature checks and masks

Nothing really concrete

Issues with free leaders; need another leader to go for Brenda to be free

Jake definitely going

Other leaders Paul, Mike Gergen, Ken Jackson

Possibly have Anas go as an adult leader

Have scouts 1 to a tent for this; Should have enough tents to handle summer camp

Bathroom situation is something to consider

Also driving: probably not a good idea to pack cars

No parent night

Limiting the number of outside visitors as much as possible

Do we need to start gathering PPE? Will camp be providing anything?

Long Lake Provisional Camp

Have too few scouts to go to EBSR, can go to Long Lake

Provisional takes needing our own leaders out of the equation

Also an option if we get move to a week no one else can go

Francis' Chicago troop is now going to Long Lake either week 5 or 6

Bringing 20 scouts and other adults

Advancement

Reese got scout

Anas needs to get extension paperwork filed

Caden filed his extension paperwork

Stacey outlined how advancement is working during pandemic

Outings

Don't start planning any before September

Plan a day to do Totin' Chip in person? Stand far apart

Court of Honor

Do one over Zoom at some point?

People are earning things this summer

Doesn't sound like we'll be having a large meeting anytime in the next few months

Nico Announcements

Has been holding weekly patrol meetings

Saturday at 9AM—Zoom First Aid Merit Badge; Mr. Wolski and Mr. Ledonne

Outreach house needs supplies; so does food pantry

Wants to set-up some kind of food drive

Setup in their parking lot for drop-offs

Need diapers, rash cream, baby wipes

Contactless drive-through drop-off

Create an event in the troop Facebook page

Have everyone wearing gloves, masks, and wiping things down

Waiting on approval to use the parking lot by the outreach house

Next week sounds nice; but will be hard to get message out that fast

Should we try combining non-Life scouts into a temporary patrol for this? So they can work on advancement together

Then older Life scouts can discuss Eagle projects together

Committee approves

Recruitment

Going to need to think of remote ways to do recruiting

Going to try to do Calvin's Eagle BoR on ZOOM; paperwork was sent back the week of shut down

Need BoRs for multiple scouts

Look into doing Junior Leader Training? Steve said he'd look into it;

Going to need to deal with council raising dues; More fun for us

So going to need to discuss for budget and think about when recharter comes along

Talk about having dues differently; possibly quarterly instead of annually

Three Fires Roundtable will be this Thursday
