

Committee Meeting 7-10-2020

Stacey currently working with Anas on Eagle Paperwork; he's a little behind

Caden and Anas need Jeff's signature on their final Eagle Application forms; Stacey or Marlene cannot sign for him; Will need to figure out a way to scan or take a road trip

Fundraisers

Jordan retiring from Compass; can still get food, but will need to look into buying some of the equipment and using some of the large pots from the trailer

Doubtful we will have a live Spaghetti Dinner in 2021. Need to start thinking up alternatives such as having drive-thru and home delivery

Need to start planning for altered spaghetti dinner around October/November, which means we will need to find a new Committee Chair by then

Signed-up to do pumpkins again this year—still sounds like a good idea, and this year we'll have more time to plan and sell

Try to do a hot dog stand alongside pumpkin sales one day? Need to coordinate with Fuel not to interfere with their food truck

Also consider doing a split the pot throughout the entire sale, and have pay out on the last day.

Could also try selling firewood too

Will be doing wreaths like always

Mary willing to do the flower sale again with both troops

Summer Camp Wrap-Up

Nico—didn't care for food; feels scouts got more MBs from this format than normal

Marlene made 37 corrections to requirements/blue sheets they sent us

Try to plan next year's summer camp in Oct./Nov.; unsure where we will be with COVID issues

From adult perspective, there were some behind the scenes problems at camp, with a suspicion that council disagreed about opening camp. Very young staff with a lot of the regular and older adult positions vacant or being run by younger people. A few last minute staff changes in key positions.

Youth Protection Training

3 expired- Tom Cullerton, Paul Flaskamp, Mike Gergen

A lot more are expiring in September because they redid the program; everyone who completed YPT last September will need to do it again by this September

Recharter

Going to be different this year as they try to line it up with the school year

Even shorter dates this year; going to be a month earlier in August/September

Committee consensus to start taking electronic payments for dues such as Venmo or Zell; need to talk to Treasurer about setting this up

With last year's National increase and this year's Council increase, want to start offering some type of payment plan to break up costs; Council fees are going up quite a bit—Amount not on website yet

Need to make sure that scouts remains affordable to everyone who wants to participate

Schedule a Budget Meeting for August

Girls unit would like to get its own shirts and neckerchiefs

Mary has potentially recruited 2 girls from 140

Potential Events

Would like a Court of Honor before all 18yr. olds leave for college

Either at someone's house with a big backyard, park, or St. A's parking lot

3 Current Options

1. North Terrace Park

2. Gazebo

3. St. A's parking lot

Issue: Many parks are not opening public bathrooms

St. A's gym technically closed until September; parking lot is a gray area

First 2 weeks of August; preferred date is **August 3rd**

Meet at 6:30, get everything going by 7

Steve willing to grill all the food ahead of time; Save time and energy

Nico would like to setup a hike/some type of day event for the last week of July

Need to come with a new marketing strategy/flier for schools in fall
