

Committee Meeting 9/15/2021

Adam, Marlene, Steve D., Mary, Brian, Francis, Marcia

Outings/Events

Cancel September outing; only 3 scouts and 1 adult were able to go; Mary planned a family vacation

September 25, 10am-1pm; Indigenous History at Churchill Woods; Suggested by Steve D.; An option for a patrol/group activity if Hudson wants to organize it

September 25, Chippewa open house at Cantigny; Probably too late to get a table, and again, would need available adults to manage; Also going to be focused on western area of council

October Outing

8-10 Camporee at Long Lake—Registration by Sunday, 9/19; will require a lot of quick calling
23? Willowbrook Wildlife Center as a day outing

1 Homecoming game; need to nail down volunteers for flag ceremony

2 Pumpkin delivery should be about 10am

30 Trick or Trot Table; would be nice if Hudson and Reese could run the table; can't pass out candy; can only donate it for goody bags they give to runners

November

19-21 Shabbona Outing

Cabin at MacQueen if we can't do Shabbona

Steve hopefully able to make reservation

5-7 Creep-O-Ree; encourage scouts, but want to push Shabbona

Summer 2022

Want to pick a camp before end of the year

TFC chartering school busses down to Kentucky for a week-Pfeffer Scout Reservation; no dates yet; but can register for it--\$330

Francis/979 doing high adventure in Colorado

Recruitment

Video planned

Kids who miss meeting can still record themselves if they would like to be in the video

Probably not going to get it played at Willowbrook; not really something to push

Best to push in elementary and middle schools

Try to have some fun pictures edited in; something that looks more fun

2-3 min.

Push a high adventure for 2023

Jordan also talked about having it play on Ch. 6 or present it at a Village Meeting

Or to have before the meeting so it could be a link for advertising

Probably want an adult to edit, rather than kids

Have a big alumni/Eagle event; have it annually so everyone knows when it is

Recharter

Francis brought Charlie's application; all done

Have Mom talk to Rosenbaum about answering Marlene's email—he needs to meet with her and Kelly to sign forms

Charlie and John will be college scouts

Josh hasn't fully dropped out; nonactive, still on charter, show up when he wants

Okay for this recharter; should be okay next year if we get a few Webelos to join

Fundraising

Try to take pumpkin patch down to half of October next year?

Hudson going to contact Suha about setting up a SignUp Genius for patch

Martha W. hopefully still doing wreaths

Stacey going to do butter braids again

Equipment

Would like to clean and polish trailer before putting decals on; Need to pick a date to have scouts clean it—have enough supplies in scoutroom

Mary has runner and table cloths, look great
