

Committee Meeting 6/4/2020  
Focused on upcoming Summer Camp at EBSR

Attendance: Marlene, Nico, Francis, Greg, Nicole, Adam, Alisa, Jeff Brenda, Steve D., Marcia, Ken, Janet

### **Summer Camp**

- EBSR is asking for troop's proof of insurance as an out of state troop. No idea what they are asking for, troop is covered by BSA National and St. A's I believe. Adam will contact Jim Danielson about the last time troop attended EBSR and see if they needed it then.
- Everyone will need standard health forms, parts A, B, & C. Can be from February 2019 forward for this year due to difficulty seeing doctors
- Will also need more than basic health forms, including signed waiver for all youth and wellness checks (including temperature) on Sunday morning before leaving
- Asking scouts to show up with temperature readings rather than attempt to do in parking lot
- Due to extra forms, will be collecting and loading trailer on Friday or Saturday night before we leave
- Camp will be handing out buffs to use as masks and hand sanitizer. Probably still a good idea to bring your own extras
- Everyone will be sleeping in their own tent. Can bring their own or use troop tent. Have about 15 troop tents, so enough for everyone if needed
- If you cannot setup the tent you bring, will be required to use troop tent
- Do we want someone to act as banker this year? Most of the scouts are older now
- Reese F. will be acting GSPL for camp
- Likely going to have typical swim checks—will need to confirm with camp
- Think our check-in time is 1pm. Need to confirm
- Driving this year will be different. Everyone will need to drive their own scouts to camp
- Everyone still going to meet at St. A's so we can arrive at camp together
- If someone wants their scout to carpool, will need some form of written confirmation that it is okay (text, email, signed paper, etc.)
- Signed up for dining hall. Will be running in shifts with checkered pattern seating and outdoor tables
- Flags will be on our own in campsite
- Have not gotten specifics on what else is cancelled beyond ATVs and other high adventure programs. Likely many large camp gathering programs have been cancelled
- Parent night cancelled
- Class A for EBSR will just be uniform shirt—no neckerchief or other scouting wear
- Class B remains troop t-shirt

- Care packages for Wednesday night
- Have kids bring games to do in campsite. Badminton, cards, maybe board games, volleyball, etc.
- Jet skiing is happening for 14 and up—need to sign up now
- June 8—video call with camp staff. Can hopefully get last few questions answered.
