Summer Camp

June 27-July 3 at Long Lake

Steve taking trailer up; Jeff can bring up

Jeff cannot go up with troop; needs to be at camp admitting groups

Google Doc emailed out has all scouts' MB schedules; most got what they wanted

Do have 2 scouts heading to each program area for each session, so will be able to follow buddy system

Tom C., Paul F., and Mike G. going all week

Adam & Brian L. planning to go up on Thursday-pay when you get there

Outpost: Info forthcoming, still working on nailing down few external vendors

Will be extra charges for scouts who sign up for outpost events there; be prepared for those ATVs—long pants, long shirts, boots; Those with ATV cert. can just ride w/o class

Paul nominated as acting Summer Camp Scout Master—has all the necessary training

Health forms have a deadline—Want by May 24th

Adam & Marlene to work on coordinating

Email ahead of time; collect physical copies for the troop to have in case of emergency

For scouts travelling with those outside of household, want some form of written confirmation that parents are okay with it for Covid precautions

Mielkes available to drive if needed

Have a 30 min. window to arrive—cannot be early or late

Pick a rally point near camp—local hot dog/burger stand NOT recommended

Great Lakes Naval Base

Looking at September 10th or 17th

Francis wants to bring 979 with

Start paperwork and contacting them now

Fundraising

Talking to Manny about doing another Dine & Share

On night we have one, have people sitting at Manny's with fliers for recruiting? Adults only

Flowers being delivered on May 19th; Will need help offloading

Think things are all properly paid up

Spaghetti Dinner: Giving each scout who worked \$100 in their scout account

Make people aware of general 2022 date now

Chocolate: A few cases still floating around

If we do again, only \$1 bars; too hard selling \$2 boxes plus ordering issues

Butter Braids: Want to do again, in fall, this time pre-Thanksgiving; maybe a second in Spring

Summer 2021: Would like to sell corn and maybe some type of barbecue still

Do a car wash in July? Something fun with good community visibility

Court of Honor

Eagle Reunion and Recognition

Trouble finding good dates; **Decision: June 13th**

Feel there would be too many problems if we tried a Friday or Saturday

Monday Meetings

Canadian Rail People coming to April 26 Meeting

Operation Lifesaver: Look, Listen, Live

All still talking to Fire Department about a bus flipping demonstration—waiting on Covid restrictions to lighten a little more

Possibly do Automotive Maintenance on a Saturday after camp
