

Committee Meeting 5/19/2021

Attendance: Adam, Greg, Mary, Brian, Steve C., Marcia D., Steve D., Hudson

SPL—Hudson

Next PLC Meeting: 6/14, 7pm at St. A's gym

Cooking Competition on 5/24, start at 6:30 to cook and finish in daylight

Treasurer's Report

Almost done getting everyone's account information into Scoutbook

People will be able to check their balances easily

Outing and activity costs will automatically be deducted from balance; if people choose to pay it will be reimbursed

BSA has integrated PayPal with Scoutbook; might have way to connect our account?

Does not look like money was every transferred out of PayPal from Spaghetti Dinner

Brian developed a written Scout Account policy; mostly just putting our standard practices in writing; looks great, will email out, and will post on website

Only change was that scouts will have one year after aging out to use funds rather than three months—change approved

Mary and Brian also developed sheets for using Scout Account funds and submitting Fundraising profits; Again will have available and post on website

Long Lake Summer Camp June 27-July 3

Adults: Mary K., Alisa C., Paul F., Tom C., Mike G., Steve D., [Jake T.—Are we sure?]

Scouts: 14, 4 Girls & 10 Boys

Revised adult payments; want to keep policy fluid for each year based on who is going and overall cost

Generally, necessary adults should not be paying; need at least 2 leaders, and standard rule is one leader per 5 scouts for summer camp; adults who attend after that pay something

Part of this was based on summer camps giving 2 adults free, which most are not doing anymore

Have a \$310 credit from last year; taking right off top of adult costs

Decision for Long Lake: Each Adult will pay \$50, troop will subsidize rest

Brian and Adam arriving Thursday, will pay when they get there: going to be \$50 for 2 nights

Extra charges scouts accrue will be taken out of their scout accounts; Try to stay in contact with parents so they know about extra costs

Great Lakes Naval Base

Currently on Scoutbook for 9/24-26; Steve still needs to call to setup

Planning to attend with 979

Also invite Greg Black's 242

Not a good outing to invite Cubs

Still have time to plan and get paperwork started

Visit Elmhurst University Observatory

Go in place of Monday meeting on June 21st

Adam will arrange with Physics department

Will need some sort of head count to give them beforehand

Need to think about what time to start—Regular 7 or earlier at 6?

Only 4 people can go into Observatory at a time

Also walk over to Particle Accelerator

Court of Honor

June 13th, 4pm at St. A's parking lot

Steve planning to cook a lot of food

Can have people bring sides, drinks, and desserts

Want to invite everyone who Eagled in past year and other Alumni?

Steve D. has a PA system we can use

If we do have to move inside gym, limited to 50 people still

MISC

Recruiting event in September with Cub Scouts; having different stations to make things fun

Do some kind of cook out with the KoC in late summer; fundraising and recruiting

Reese planning to do recording at Summer Camp for video to play at D45 schools

Hudson talked about playing it at WB; concern that older scouts don't like to advertise being in scouts to their peers
